

Non-CCLI Church Royalty Payment Form: (churches with a ccli license do not need to fill out this form)

Payment plan for churches to use music by The King's Court in church services for congregational singing

Name of Church _____

Our church does not have a ccli license

If your church does not have a ccli license, we ask that you agree to a small annual pay per usage fee to legally use music by The King's Court.

This grants you printing, projection, recording & arranging usage rights - each different usage for song constitutes payment.

For example, 1 song used in a service with projection, printing and recording = 3 times usage

The fee is based on church size and USD.

Churches under 100 people = .50 per usage

Churches 100 - 300 people = .75 per usage

Churches 300 - 500 people = \$1.00 per usage

Churches 500-1000 people - \$1.25 per usage

Churches 1000 + people - \$1.50

Please make payments in January for the previous year or at anytime and indicate time range for songs used.

The ccli #'s are on the music and at our website at: http://www.the kings court.com/ccli_songselect_tkc.htm

Name & address of contact in church music department:
