

THE “PUT THE BIBLE TO MUSIC” PROJECT

Will Goldstein, a local musician and songwriter, is one of the Journey Center’s Mission Partners...often blessing our special gatherings with his beautiful music. Will has made it his life’s work to put the Bible to music and has been working on this project daily for over 30 years. He has already written the music to all of the lyrical portions of the New Testament, Isaiah, Deuteronomy and Proverbs, and more from the Old Testament, but the vast majority of it is still in pencil and unavailable to the public.

This large body of work needs to be transcribed into a digital format by making downloadable scores of sheet music, recordings & songbooks. This work will provide a valuable resource for clergy, music directors and faith communities.

As part of the Journey Center’s commitment to support the arts, creativity and spirituality, we have come alongside Will as sponsors of this project. Your financial investment will make it possible for multitudes of people (in this generation and for generations to come) to be blessed by spiritual and scriptural songs that heal, teach, transform and unite human hearts in love toward God and one another. Phase One of this project would be to create a sing-along songbook based on New and Old Testament scriptures that could be used in places of spiritual growth such as the Journey Center, churches, Bible studies and prayer groups. The book would be in pdf format and could be printed and downloaded from the internet.

TOTAL MINI-GRANT AMOUNT NEEDED for Phase One of this project= \$5000
