Preface

It has been my vision as a songwriter for the past 20 years to create contemporary Christian music that would present the truths of the Holy Scripture in a way that reflects our great Christian musical heritage. I believe there is a trend in Christian music today that is heading toward a more complete integration of the worship service. The King's Court seeks to create music that unites the musical entities of the church by bringing together, through its various editions, the worship team, choir, soloists, congregation, and church musicians. There is a great deal of music available today that gives praise to our Lord, Jesus Christ, and for this I give thanks. However, I believe that Christian churches today need to balance the scales, and create a musical dialogue in worship services that also provides music that is directed from the heart of God, through His Holy Word, to His bride. In seeking to know the heart of God we must first understand that His primary purpose through His people, beyond worship and Christian growth, is to bring others into the Kingdom. Therefore, evangelistic music, and by that I mean music directed toward the unsaved, is of primary importance. It is to these goals that The King's Court was created, and it is to the Holy Spirit, working to guide my path day by day through countless miraculous ways, that I dedicate this book, and God willing, future volumes to come.

A Servant Of Christ

How To Use This Book

This **edition** is designed specifically for **small group** and **congregational singing** and as such is divided into 2 parts. The songs are arranged as **one continuous story of God's redemptive grace through Christ**, and are **organized into 14 adjacent medleys** for worship leaders. These 45 songs will be the content of 2 coming CD's. It is hoped that these songs will be used in **church services, bible studies, evangelistic concerts, Christian schools & camps**, and any function where the Body of Christ gathers for praise to our Lord, Jesus Christ.

Permission is granted by the publisher to any CCLI license holding Church to print copies of this edition or any contents within as long as the license holder reports usage to CCLI. The CCLI license #'s are printed with each individual song.

Headings such as Verse, Chorus, Canon & any special instructions are also notated in the song.

Optional solos can be used in many of the songs. This is an excellent way to give trained vocalist within the church an opportunity to share the gifts that God has given them. It also gives diversity to the music by allowing time for the church body to reflect on the message of the song. Refer to the guitar, keyboard & Bass Edition for suggested solos.

About The Canons - There are several canons (rounds) in this book that can be performed in a variety of ways.

Here are some possible suggestions:

- 1) Learn the canon melody well before attempting to incorporate the successive entrances (additional canon parts).
- 2) Use instruments only to play the additional canon parts - this will maintain the beauty of the music, and allow for the lyrics to be heard and understood more clearly.
- 3) After the congregation or small group has learned the song, try having the worship team sing the additional canon parts.
- 4) Finally, try dividing the congregation or small group and have them sing the additional canon parts if desired.

He Could Have Walked Away

Words and Music by Will Goldstein.

CCLI License # 3227112

Verse 1:

At the sixth hour of the darkest day
The day that Jesus chose to die
The sun refused to shine it's light
As our Lord was crucified
Now save Yourself they shouted
Come down King of the Jews
But His love for His creation
Was the love He could not lose

Verse 2:

As the one and only Son of God
Gazed with tears upon the lost
The people watched and stared at Him
For He was nailed upon a cross
Both wine and myrrh they offered Him
And then they pierced Him in the side
So Golgotha claimed it's captive
The Messiah crucified

Chorus:

He could have left the cross
He could have walked away
But as He gazed upon the lost
His love made Him stay
He could have left the cross
He could have walked away
But as His blood began to pour
God opened heaven's door
And now the nations find their peace
With their God and with their Lord

Verse 3:

As He took His final breath of life
He begged His Father to hear His cry
Oh why have You forsaken Me
And then at last He finally died
But death could not contain Him
For soon the earth began to quake
And Golgotha freed it's captive
By the love He freely gave

Chorus:

Coda:

He could have walked away
But His love held Him there
He could have walked away
While the people watched and stared
He could have walked away
He could have walked away
He could have walked away

Our Father who is in heaven
Hallowed be Thy name
Thy kingdom come
Thy will be done
On earth as it is in heaven
Give us this day our daily bread
And forgive us our debts
As we forgive those who trespass against us
And lead us not into temptation
But deliver us from evil
For Thine is the kingdom
And the pow'r and the glory forever

Show the love of Jesus
To the weak and feeble in heart

He Could Have Walked Away

Verse 1:

At the sixth hour of the darkest day
The day that Jesus chose to die
The sun refused to shine it's light
As our Lord was crucified
Now save Yourself they shouted
Come down King of the Jews
But His love for His creation
Was the love He could not lose

Verse 2:

As the one and only Son of God
Gazed with tears upon the lost
The people watched and stared at Him
For He was nailed upon a cross
Both wine and myrrh they offered Him
And then they pierced Him in the side
So Golgotha claimed it's captive
The Messiah crucified

Chorus:

He could have left the cross
He could have walked away
But as He gazed upon the lost
His love made Him stay
He could have left the cross
He could have walked away

But as His blood began to pour
God opened heaven's door
And now the nations find their peace
With their God and with their Lord

Verse 3:

As He took His final breath of life
He begged His Father to hear His cry
Oh why have You forsaken Me
And then at last He finally died
But death could not contain Him
For soon the earth began to quake
And Golgotha freed its captive
By the love He freely gave

Chorus:

He could have left the cross
He could have walked away
But as He gazed upon the lost
His love made Him stay
He could have left the cross
He could have walked away
But as His blood began to pour
God opened heaven's door
And now the nations find their peace
With their God and with their Lord

Coda:

He could have walked away
But His love held Him there
He could have walked away
While the people watched and stared
He could have walked away
He could have walked away
He could have walked away

Have you lifted holy hands
Before the Lord Jesus Christ
Who bore the cross of sin and death at Calvary
Do you pray for all the souls
Of those who fear not their God
For they deny the One who died at Calvary

With thanksgiving in your heart
For while He bore the agony
The suff'ring and the shame
He forgave us on the cross
Through the power of His name
Oh the love of Jesus
Forever to be praised

For He's the Savior of the world
I will confess His name
For He's my most treasured pearl
I'll declare how He had mercy on me
Oh the love of Jesus Christ my King

I will acknowledge Christ
And His divine majesty
For He's the Son of God

Let them sing before the Lord their God
Who comes to judge the earth

Chorus:

The Lord is King
And He reigns on high
Yet the Lord will soon descend
Through the clouds in the sky
For He comes to judge the earth

Verse 2:

Let the mountains bow down
And let the earth be glad
For the Lord is King
Let the angels sing
A heavenly chorus
For the Lord is King
Let the nations be filled with joy

For the Lord of the heavens is near
Let them sing before the Lord their God
Who comes to judge the earth

Chorus:

The Lord is King
And He reigns on high
Yet the Lord will soon descend
Through the clouds in the sky
For He comes to judge the earth

Coda:

The Lord is King
Let nature sing
For He comes to judge the earth

The Lord's Prayer

Our Father who is in heaven
Hallowed be Thy name
Thy kingdom come
Thy will be done
On earth as it is in heaven
Give us this day our daily bread
And forgive us our debts
As we forgive those who trespass against us
And lead us not into temptation
But deliver us from evil
For Thine is the kingdom
And the pow'r and the glory forever
Amen

The Shepherd Of My Soul

Verse 1:

The Lord is like a good shepherd
He will lead His flock
And cast down ev'ry foe
The Lord our God will establish justice
As He gathers saints
From the nations for His fold
He'll protect us and defend us
To heavens' gates He'll deliver us
He is Christ the Lord
The Shepherd of my soul

Verse 2:

He leads me beside the quiet waters
Near the gentle brook
That flows beneath His throne
Through dale and glen we stroll together
As He lights my way
Through paths of righteousness
With His rod and with His staff
He'll lead me home at last
He is Christ the Lord
The Shepherd of my soul

Coda:

With His rod and with His staff
He'll lead me home at last
He is Christ the Lord
The Shepherd of my soul

Treasures In Heaven

Congregation:

Where your treasure is
There will your heart be also
Store up treasures in heaven
With Jesus Christ in His eternal kingdom

Without Canon:

Treasures upon the earth
Where moth and rust destroy
And where thieves break in and steal
But lay up for yourselves
Treasures in heaven
Where neither moth nor rust destroy
And where thieves do not break in and steal

Chorus:

Store up treasures in heaven
And reign with the Lord
In His eternal kingdom
Store up treasures in heaven
And drink from the fount of everlasting life
Come and walk with the saints
In the kingdom of light
Store up treasures in heaven
For the rest of your life

We Will Be Like Christ

Verse 1:

God and God alone
Is the Father of us all
He is the great Eternal One
And the Ancient of Days
To think that we could be
Fashioned like Him
Is too marvelous to comprehend

Chorus:

Yet we will be like Christ
For we're created in His image
We will be like Christ
When He comes for His bride
We will be like Christ
Disciples of the Master
It is enough just to be like Him

Verse 2:

God in all His love
Created us to worship Him
For He designed us to be one
With His Holy Son
To think that we could be
Fashioned like Him
Is too marvelous to comprehend

Chorus:

Yet we will be like Christ
For we're created in His image
We will be like Christ
When He comes for His bride
We will be like Christ
Disciples of the Master
It is enough just to be like Him

Chorus:

We will be like Christ
For we're created in His image
We will be like Christ
When He comes for His bride
We will be like Christ
Disciples of the Master
It is enough just to be like Him

We Worship You

Verse:

Holy Father who reigns in majesty
There is no other god in all the earth but You
We bow before You our sov'reign King
Serving no other god but You
While on earth we will worship You alone
Serving no other gods for You alone are Lord
We bow before You the One True God
For You alone are worthy of our praise

Bridge:

On the mountain in the night
Through the fire and the light
You wrote Your Word
On tablets of stone
You gave us the Law
To guide us in the truth
And by Your Word we stand
For Your Word remains forever

Canon:

We worship You and You alone
We live by Your Word your Holy Word
We worship You the God of Abraham
And Your Son the Christ of Bethlehem
We worship You the God Most High
Who came down to earth to sanctify

We worship You the Bright and Morning Star
Who guides our path wherever we are

Verse:

Holy Father who reigns in majesty
There is no other god in all the earth but You
We bow before You our sov'reign King
Serving no other god but You
While on earth we will worship You alone
Serving no other gods for You alone are Lord

For You alone are worthy of our praise:

Wings Like Eagles

Without Canon:

Have you not heard that the Lord your God
Who created the earth is neither tired nor faint
He gives hope to the weary in heart
Who call on Him to renew their strength
Those who wait upon the Lord
Will mount up with wings like eagles
They will run and not be weary
They will walk and not faint

With Canon:

Chorus 3 times:

Soar on the Spirit wind
With wings like eagles soar on high
Soar through celestial skies
With wings like eagles soar on high
With wings like eagles soar on high
With wings like eagles
Soar through the heavens
To the mountain of the Lord
To the holy mountain of the Lord

You Alone Are Holy
